## OPEN PLAY

Due to the popularity in this sport, we are offering Pickleball "open play" every Thursday from 10:00 – 12:00 noon on court 4. With Winter leagues ending and the start of Spring tennis around the corner, now's the time to fine-tune your tennis skills and play a game of Pickleball. I know that once you start playing Pickleball on a regular basis, you will be addicted! We look forward to seeing you on the courts! Don't forget to bring your paddle and balls. Cost is FREE for members and \$5 for non-members or purchase a Pickleball punch card... \$40 for 10 sessions. What a bargain for 2 hours of exercise!!! Please attend a Pickleball clinic or two prior to joining "open play".
