**AFTER SCHOOL PROGRAMS**

PRE RED	30 min \$10	Age: 3 to 5 36ft Court 6 kids to 1 coach per court An introductory program improving all-around athletic skills by using games and activities to develop eye-hand coordination, balance, and fitness in a fun and safe environment.
RED BALL	1 hour \$20	Age: 6 to 8 36ft Court 6 kids to 1 coach per court Continuing with the USTA system, this program scales training and competition by bringing kids into the game with modified equipment, smaller dimensions, and alternative scoring, adaptive by age and size.
ORANGE BALL	1 hour \$20	Age 8 to 10 60ft Court 6 kids to 1 coach per court As tactical sophistication increases, players link shots to patterns and develop an understanding of choices from different positions like moving their opponent. Technique evolves by increasing swing lengths and adding spin.
GREEN BALL	1.5 hours \$30	9 to 12 years old. 78ft Court 6 kids to 1 coach per court Players advance in the RPTC pathway focusing on singles and doubles while building strategic, technical, mental and athletic development needed for tournaments.
TIER 1 Contenders	1.5 hours \$30	Age 10 and up UTR below 2 6 kids to 1 coach per court Experienced players seeking improvement in groundstrokes, volleys, serving, strategic mindset, and footwork. Hitting drills, games, and exercises are utilized to get the teen player not just able to hit, but able to play their first matches.
TIER 2 Challengers	1.5 hours \$41.25	Age 10 and up UTR 2 to 5 4 kids to 1 coach per court An advanced program designed to improve the player whom has mastered technique and is ready for higher level of competition.
TIER 3 Elite	2 hours \$55	Age 10 and up UTR above 5 4 kids to 1 coach per court Per a coach's approval, the high performance program prepares the student-athlete for collegiate or professional tennis. Players grow as athletically, emotionally, and psychologically through on and off court training.

Age and level determine the appropriate level. Coaches confirm the best program for each participant. Multiple days of training encouraged. Sessions are 10 weeks with progressive planning and a consistent student-teacher ratio
