## CAMP GOALS

Junior players ages 5-17 interested in learning the game of tennis are encouraged to participate. Players will be divided into groups by age and ability.

Tennis encourages physical fitness, sportsmanship, decision-making and social interaction. Participants will learn the skills, tactics and techniques of tennis from basic to advanced levels. The activities will include stroke production, rules, strategies, fitness and conditioning, as well as fun and competitive play for all levels.

The Half-Day Camp combines tennis theory, drills, and practice all within the 3½ hours of instruction.

The Full-Day Camp combines 3½ hours of tennis, and 2 hours of fun physical activities. Campers will participate in conditioning, obstacle courses, water play, and field sports.

The Art Camp, sponsored by Maggie's Art, allows students to have fun while learning about different mediums. Students will experiment with color pencils, oil pastels, watercolor, charcoal, and other very unique methods.

Please wear appropriate clothing, hat and sunscreen. Bring a racquet, water and lunch (include a snack for full day camp). Pizza will be served on Friday.
